THE SOYBEAN DIGEST --- Index to Volume XXX

Subject Matter

A

American Soybean Assn., Chen, Sera to posts in Far East, No. 1, p. 58; market development, No. 2, p. 3; Princess Soya to Japan, No. 2, p. 9; favors premium as well as penalty, No. 2, p. 25; urges change to No. 2 basis on price support, No. 3, p. 3; won another ad award, No. 4, p. 3; 1970: golden anniversary, No. 4, p. 3; how to conduct a membership drive, No. 4, p. 34; director Martin Manning gone, No. 5, p. 3; a little required from everyone, No. 5, p. 37; golden invitation, No. 7, p. 8; convention, No. 9, p. 3; No. 9, p. 10; replacements for Manning, No. 9, p. 22; great new opportunities and problems, No. 10, p. 8; convention program, No. 10, p. 10; 50th convention, No. 11, p. 6; officers 1920-1970, No. 11, p. 38; directors of 50 years, No. 11, p. 39; convention sites, No. 11, p. 40; honorary life members 1946-1969, No. 11, p. 40; No. 11, p. 41; Jackson chief executive, Randolph to export program, No. 12, p. a; all officers reelected, No. 12, p. b; resolutions, No. 12, p. 16; honorary life members, No. 12, p. 20; certificates of meritorious service, No. 12, p. 22; this year's major accomplishments, No. 12, p. 26; billion-dollar export award by USDA, No. 13, p. 3; 50th anniversary award by Taiwan, No. 13, p. 5

American Soybean Institute, Bevis: typical farmer of 1970's, No. 4, p. 34; NSPA funds $50,000, No. 5, p. 30; more livestock needed in Italy, No. 10, p. 22

Australia has margarine fight ..... No. 5, p. 30

C

California, breeding adapted soybeans ..... No. 12, p. 61

Crop report, No. 1, p. 45; No. 2, p. 26; No. 4, p. 35; No. 8, p. 78; No. 11, p. 93; No. 12, p. 45; No. 13, p. 27

D

Diseases, aid to identification, No. 7, p. 51; most prevalent in Ill., No. 10, p. 18

E

European market seen firsthand ..... No. 2, p. 13

Exports, soybeans setting records again, No. 8, p. 6; soybean farmers' initiative paid, No. 8, p. 28; expand but competitors not idle, No. 9, p. 16

F

Fats and oils, domestic food markets for soybean oil, No. 1, p. 20; develop new procedure in refining soybean oil, No. 2, p. 21; some fats may trigger goiter, No. 8, p. 71; inedible products from oil, No. 11, p. 73; soy as food, No. 11, p. 74; more oils needed, No. 12, p. 53

Fertilizers, no results from heavy applications in Ill. ..... No. 5, p. 34

Food conference, stand on free choice presented at White House ..... No. 3, p. 16

Foods, help for hungry world ..... No. 3, p. 18

Futures, soybean, another marketing tool ..... No. 10, p. 6

G

Georgia, Adcock's yield highest, No. 7, p. 30; soy dinner sparks meetings, No. 8, p. 77

Germany. soybean farmers' initiative paid ..... No. 8, p. 28

H

Herbicides, Solo a new combination, No. 4, p. 13; Shamrox offers wide spectrum control, No. 4, p. 23; emulsifiable Lasso, No. 4, p. 26; grant for research on Tenoran, No. 4, p. 26; use grows 20% annually, No. 5, p. 45; soil and weather factors in weed control, No. 7, p. 34; and root nodules, No. 8, p. 69; Ark. evaluates soybean, No. 8, p. 79

I

Illinois, contributions of J. C. Hackleman, No. 9, p. 28; Joe Johnson gone, No. 12, p. 43

India, consumers to try soybean oil, No. 2, p. 38; golden soybean revolution, No. 12, p. 36

Iowa, 7 above 50 bu. ..... No. 7, p. 32

Iran, middleman's role, No. 8, p. 56; competition for oil market, No. 8, p. 60

Italy, feed industry and use of soy meal, No. 8, p. 36; poultry breeding in the EEC and outlook for soy meal, No. 8, p. 39

J

Japan, soy protein foods, No. 1, p. 28; champs saw our markets in, No. 8, p. 10; outlook for soybean crushing, No. 8, p. 41; role of soybean meal in feed industry, No. 8, p. 44; vegetable oil shortening, No. 8, p. 49; nutrition press conferences, No. 8, p. 54; U. S. visit by food editors, No. 12, p. 44

K

Kansas, 10 with highest yields ..... No. 7, p. 30

Kentucky, no-till popular ..... No. 5, p. 62

L

Lecithin, use growing in many markets ..... No. 1, p. 24

M

Margarine, Australia has fight, No. 5, p. 30; situation in EEC, No. 8, p. 32; in Japan, No. 8, p. 49

Market development, can sell more soybeans, No. 3, p. 14; 80% of La.'s soybeans in exports, No. 5, p. 3; laid groundwork for 1970's spectacular sales, No. 10, p. 14; Iran removes tariff, spurs sales, No. 10, p. 20; No. 13, p. 21

Markets, futures trading major marketing tool, No. 5, p. 43; building world markets for soybeans, No. 7, p. 17; farmers' biggest profit challenge, No. 9, p. 6; 50 years of soybean, No. 11, p. 62; growers enthused about expanding, No. 12, p. 10; there are no secure, No. 12, p. 23

Maryland, soybeans for the 1970's Delmarva theme ..... No. 4, p. 4

Mississippi, Harris Barnes joins Farm Quarterly ..... No. 1, p. 48

Missouri, 20 made 50-bu. club, No. 7, p. 32; O. H. Acom gone, No. 9, p. 22

N

National Soybean Processors Assn., funds $50,000 to Soybean Institute, No. 5, p. 30; go to San Francisco, No. 7, p. 9; birth of an industry, No. 11, p. 58; annual meeting at San Francisco, No. 13, p. 13

O

Oilseeds, potential new market for crops ..... No. 9, p. 14

Ontario pushes for new market plan ..... No. 5, p. 34

Outlook, focus on 1970's, No. 2, p. 6; 1970-71 soybean oil and meal, No. 12, p. 30

P

Pests, new threat to soybeans from cyst nematode, No. 3, p. 10; stink-bug damage in soybeans, No. 10, p. 38; Indian-meal moth yields to experimental pesticide, No. 13, p. 6

Prices, why meal and oil up, beans down ..... No. 5, p. 51

Price support, ASA urges change to No. 2 basis ..... No. 3, p. 3

Princess Soya, to Japan, No. 3, p. 3; N. C.'s candidate, No. 7, p. 43; Kathy Nelson Minn. princess, No. 8, p. 3; in Japan, No. 8, p. 4; candidates, No. 11, p. 10; N. C. girl is new, No. 12, p. 12; wishbone, jawbone, backbone by Margaret Adair Rountree, No. 13, p. 28

Processing, Japan's outlook ..... No. 8, p. 41

Processors, Ralston Purina's position in soy proteins, No. 2, p. 17; Cargill to build plant at Fayetteville, N. C., No. 7, p. 53; boost soy product sales to key Asian markets, No. 8, p. 64; Cotton Producers Assn. to construct facility in Ala., No. 8, p. 89; Central Soya dedicated refinery, No. 11, p. 107; dedicate Riceland Foods headquarters, No. 13, p. 24

Production, handling vegetable soybeans mechanically, No. 2, p. 20; hope for new ways to cut harvest losses, No. 2, p. 21; Harry Young of Ky. pioneer of minimum tillage, No. 2, p. 31; no gain by irrigating before bloom, No. 3, p. 29; focus profit decisions on cost/bu, No. 5, p. 10; no results from heavy fertilizer in Ill., No. 5, p. 34; row widths from state experiment stations, No. 5, p. 44; plant soybean seed shallow, No. 5, p. 45; better yields from narrow rows in Md., No. 7, p. 9; soys following small grains, No. 8, p. 71; farm machinery and, No. 11, p. 84; versatility of the soybean plant, No. 12, p. 32; what is no-tillage?, No. 13, p. 10; grew 300 acres no-till, No. 13, p. 11

Protein, MPF provides for world's hungry, No. 1, p. 3; legal problems faced, No. 1, p. 19; soy foods in Japan, No. 1, p. 28; soy works for homemakers, No. 1, p. 29; Ralston Purina's position, No. 2, p. 17; soybeans can hold their own, No. 5, p. 32; soy, No. 11, p. 75

R

Research, food uses of soybeans, No. 1, p. 16; scientists develop hakko tofu, No. 1, p. 32; brightens outlook in Tex., No. 9, p. 38; 50 years of soybean variety improvement, No. 11, p. 66; 50 years of soy use, No. 11, p. 71; amino acids for ruminants?, No. 12, p. 38

Roach, Howard, fund for memorial forest grows ..... No. 1, p. 27

S

Soybean cyst nematode, new threat to soybeans ..... No. 3, p. 10

Soybean meal, cooked soybeans create industry stir, No. 4, p. 14; and U. S. soybeans play vital role in Eastern Europe, No. 8, p. 19; feed industry in Italy and the use of, No. 8, p. 36; poultry breeding in Italy and the EEC and outlook for, No. 8, p. 39; role in Japanese feed industry, No. 8, p. 44; 50 years, No. 11, p. 78

Soybean Profits ..... No. 13, p. 18

Soybeans, cooked create industry stir, No. 4, p. 14; growth in Tenn., No. 5, p. 8; private breeders join push for higher yields, No. 7, p. 26; U. S., and meal play vital role in Eastern Europe, No. 8, p. 19; Iowa's increasing acreage, No. 10, p. 18; on threshold of new era, No. 11, p. 14; crop made by people who tried harder, No. 11, p. 24; in the beginning, No. 11, p. 42; 60 years with, No. 11, p. 46; more emphasis on value, No. 11, p. 48; memories of an oldtimer, No. 11, p. 50; basic problems haven't changed, No. 11, p. 54; past-future link, No. 11, p. 72; oldtimers, No. 11, p. 110

Soy foods, MPF provides protein for world's hungry, No. 1, p. 3; research in uses of soybeans, No. 1, p. 16; domestic food markets for fats and oils, No. 1, p. 20; lecithin use growing in many markets, No. 1, p. 24; use of soy grits in institutional feeding, No. 1, p. 26; protein in Japan, No. 1, p. 28; proteins work for homemakers, No. 1, p. 29; scientists develop hakko tofu, No. 1, p. 32; menu for farm or family group, No. 1, p. 38; companies, No. 1, p. 40; Ralston Purina's position, No. 2, p. 17; to study protein content of stored, No. 2, p. 18; bread with 20%, No. 2, p. 18; expose 1,000 Minn. women to, No. 7, p. 9; Worthington Foods test markets a soy sausage, No. 7, p. 9; dinner sparks meetings in Ga., No. 8, p. 77; soy as a food oil, No. 11, p. 74

State associations, Phase II kicked off in several states, No. 1, p. 13; exports, Iowa meeting, No. 2, p. 15; major campaign by Iowa, No. 3, p. 27; Rose succeeds Scott as head of Ark., No. 4, p. 31; Mo. plans checkoff referendum, No. 5, p. 38; Krueger, Runholt, Wright Minn. officers, No. 7, p. 41; Miss. checkoff signed into law, No. 8, p. 73; No. 9, p. 23; Prichard of Ga., No. 10, p. 24; No. 12, p. 46; Ill. soybean day, No. 13, p. 16

T

Taiwan, team tours U. S. soybean industry, No. 2, p. 16; what's ahead for soybean industry, No. 8, p. 55; 50th anniversary award to ASA, No. 13, p. 5
